

Yukon First Nations **Energy Forum**

The Council of Yukon First Nations, Yukon Energy, and Yukon Indian Development Corp. are hosting an energy forum on **November 23rd** and ½ day on the **24th**, at **Mt. McIntyre Recreation Center** in Whitehorse.

The target audience is Chiefs, Councillors, Development Corporation Presidents/CEOs or Trustees.

The purpose of the forum is to provide First Nations with the necessary resources and sufficient case study material to inform potential business opportunities for clean energy development in partnership with Yukon Energy.

The forum is intended to be interactive and collaborative with the participants and will feature a few key speakers with related experience.
